### Housing

Do you have physical needs requiring housing facilities in a cabin or a lodge? \_\_\_\_\_  
Most Confluence participants will be camping, although cabins and lodges are available for those who need extra facilities based on age and/or handicap accessibility. If you would *like* to stay in a cabin or a lodge, but do not *need* this housing, email [registration@climateconfluence.org](mailto:registration@climateconfluence.org) for cost details.

Please check off what camping equipment you are able to bring. (This information will be used to help us gather all the necessary camping gear. If you have extra materials and would like to lend them to a fellow participant, please specify how many extra on the “extra?” line. Check out the “Organizing Materials” section of the website for a camping gear donation letter to print and use.)
